Hi Jacquie and Andy,

I am here now.

Ex. 6 Personal Privacy (PP)

If you haven't had the meeting yet I would like to participate.

Also, next time, I will e-mail Jacquie and tell her. I e-mailed my boss and Kim Harris, but I didn't think to e-mail Jacquie, too, because Kim is on the other potential case we have right now.

Have a good afternoon,
Jenny

Subject: FW: GenX testing in Washington Works facility area

Hi Jacquie, As stated in the email from Roger, below, the Region is in communication with Chemours about sampling for Gen-X. Let me know when you are available for a conference call to discuss this. We wanted to get the R5 perspective on this.

Thanks,

Andy
